</table>
Lindsay reviewed Outreach Committee initiatives. Please refer to the committee’s meeting notes for detailed information. Committee highlights:

- New Committee Co-Chairs: Lindsay Crow and Mary Beth Messner
- Websites - Going Green website, Facebook, Twitter and Insider articles
- College Open House, October 24th – Display table
- Campus Sustainability Day, Oct. 27th – Display & student recruiting in cafeteria, Green Tip card distribution
- Early Education Open House, Nov. 1 & 2 – Display & student recruiting
- Earth Week, April 28th through May 5th – Event coordination & planning
- Recyclemania! – Recycling outreach events to be scheduled from January through March
- Next meeting Nov. 1st

Upcoming actions:
- Interclub Council presentation and outreach, October 25th
- Lunch Seminar, October 27th – Pathway to become a LEED AP/GA

4 Committee Reports - Curriculum

Stefanie reviewed Curriculum Committee initiatives. Please refer to the committee’s meeting notes for detailed information. Committee highlights:

- Potential future program offerings
  - Sustainability option, certificate, degree, 2+2 program
  - Environmental Sociology proposed course (Martina Grier)
  - Engineering Technology Division course and program evaluation and development
- Collaboration with Engineering Technology Division
  - Meeting on Oct. 18th to evaluate current course offerings and identify potential courses and programs
  - Follow up meeting – Nov. 8th
- Revision and development of Curriculum Integration Resource PowerPoint presentations
- Faculty workshop for sustainability integration – Fall, 2011?
- Next meeting Nov. 2nd

Upcoming actions:
- Joint meeting with KSU Stark, Malone, Walsh and Mount Union to discuss potential ways to collaborate curriculum and outreach efforts, Oct. 22nd

5 Committee Reports – Waste Management

Cherie reviewed Curriculum Committee initiatives. Please refer to the committee’s meeting notes for detailed information.

- Committee highlights:
  - Interior Recycling Locations
  - Exterior Recycling Locations
  - Recyclemania! Committee decided to not participate in the competition until a campus recycling program is fully in place. Instead, the focus will be on a Recycling Awareness Campaign during the month of February that will mimic Recyclemania strategies in order to prepare for full participation in 2011.

| o Presentation by Bill Ullom, Founder and CTO of Vadxx Energy  
  o Next meeting Nov. 5th  
|   |   |   |
|   | Upcoming actions:  
  o Purchasing bins for interior and exterior locations.  
|   |   |   |
| 6 | **Committee Reports – Dining Services**  
Sara reviewed Curriculum Committee initiatives. Please refer to the committee’s meeting notes for detailed information.  
  • Co-chairs: Sara Klink and Stefanie  
  • Committee highlights:  
    o Campus community collaboration  
    o Review of STARS requirements and first steps taken by other institutions  
  o Next meeting Nov. 5th  
|   | ALL |   |
| 7 | **Future Meetings**  
The committee discussed the relevance of task force meetings. Most individuals in attendance were active subcommittee members who are already up to date with most initiatives. The group proposed having the full task force only meet 2x/term. This will probably continue to change and evolve as sustainability becomes more and more defined on campus.
